

How to Access Attorney Trainings

Access the Pennsylvania Victim Services Training (PVST) Website at: <https://pavictimservicetraining.org/>

- Log into your PVST account.
- Click the “Join Group” tab on the right-hand side of your screen. A text box will appear prompting you to enter your group key.

- Enter the group key, then click join group. (If you do not have a group key, contact your program director or PCCD to obtain the eight-character group key needed to access your courses.)

A screenshot of a "Join group" dialog box. The title bar says "Join group" with a close button (x) on the right. Below the title bar is a text input field labeled "Group key" with the placeholder text "Enter a Group key" and an information icon (i) to its right. At the bottom of the dialog are two buttons: "Join group" (highlighted with a red oval) and "Cancel". A red arrow points from the top of the dialog down to the input field.

- All Attorney Trainings will now be on your learner dashboard! You do not need to complete any additional registration. Simply launch your course and begin learning!
